**“Covered Accident”** means an accident that occurs while coverage is in force for a Covered Person and results directly and independently of all other causes in a loss or Injury covered by the Policy for which benefits are payable. This notice should identify you, the Participating Organization, and the Policy Number. **“Covered Expenses”** means expenses actually incurred by or on behalf of a Covered Person for treatment, services and supplies covered by the Policy. Coverage under the Policyholder’s Policy must remain continuously in force from the date of the Covered Accident or Sickness until the date treatment, services or supplies are received for them to be a Covered Expense. A Covered Expense is deemed to be incurred on the date such treatment, service or supply, that gave rise to the expense or the charge, was rendered or obtained. **“Deductible”** means the dollar amount of Covered Expenses that must be incurred as an out-of-pocket expense by each Covered Person per Covered Accident or Sickness basis before Medical Expense Benefits and/or other Additional Benefits paid on an expense incurred basis are payable under the Policy. **“Dependent”** means an Insured’s lawful spouse or an Insured’s unmarried child, from the moment of birth to age 19, who is chiefly dependent on the Insured for support. A child, for eligibility purposes, includes an Insured’s natural child; adopted child, beginning with any waiting period pending finalization of the child’s adoption; or a stepchild who resides with the Insured or depends on the Insured for financial support. A Dependent may also include any person related to the Insured by blood or marriage and for whom the Insured is allowed a deduction under the Internal Revenue Code. Insurance will continue for any Dependent child who reaches the age limit and continues to meet the following conditions: 1) the child is handicapped, 2) is not capable of self-support and 3) depends mainly on the Insured for support and maintenance. The Insured must send Us satisfactory proof that the child meets these conditions, when requested. We will not ask for proof more than once a year. **“Home Country”** means a country from which the Covered Person holds a passport. If the Covered Person holds passports from more than one Country, his or her Home Country will be the country that he or she has declared to Us in writing as his or her Home Country. Home Country also includes the Covered Person’s Country of Permanent Assignment or Country of Permanent Residence. **“Injury”** means accidental bodily harm sustained by a Covered Person that results directly and independently from all other causes from a Covered Accident.
